

YOU ARE INVITED TO AN OPEN HOUSE & FOCUS GROUP

Tuesday, July 9 • 5-7pm

OR

Wednesday, July 10 • 8-10am

**5:30pm presentation –
focus groups to follow
City Hall – Room 1E-108**

**8:30am presentation –
focus groups to follow
City Hall – Room 1E-108**

Please join the City of Bellevue for an update on the Downtown Livability Initiative. We are seeking community input on the draft “audits” being reviewed by the project’s citizen advisory committee. These are reports on the results of the existing Land Use Code, which convey how it is working to guide Downtown development on the ground, including what is working well, where there is room for improvement or new opportunities.

Summaries of these focus group comments will be presented to the advisory committee.

Materials may be downloaded at:

www.bellevuewa.gov/downtown-livability-advisory-committee.htm

Event will highlight:

Downtown Design

Building height and form, amenities, design guidelines, Pedestrian Corridor and open spaces, vision for DT-OLB district (along I-405)

Downtown Connectivity

Light rail interface, parking, transportation plan update

Other Items

Vacant buildings/sites, mechanical equipment, recycling and solid waste, vendor carts, permitted uses

RSVP to **DowntownLivability@bellevuewa.gov** or **Julie Ellenhorn at 425-452-5372**
